Medication Policy

All participant medications checked in to the Woodlands for programming must be pre-dosed, using the guidelines indicated below. Several of our participants take medications. This policy is in place to increase safety, protect participants, and prevent medication errors.

When preparing for camp, please remember:

- You must bring all medication bottles with you **each time** to “Check-In.”
- Be sure the bottles brought for verification also have pills inside. This allows the Healthcare staff to verify the drug type, name, dosage, shape, color, and markings on the each pill.
- All medication (even over the counter) must be accompanied by its original container.
- We will only accept and check-in the amount of medication needed for the duration of their participation in each Retreat, Camp, or Club program.
- Medications prescribed **as needed** for behavior or spasticity are not accepted during check-in.

Exceptions may be made if approved in advance by the Woodlands medical director.

***** If medication is not accompanied with the original bottle and label, we cannot accept or administer them.**

On the day of check in (e.g., Friday nights or Sunday nights),

- Only bed time medications are accepted. Please be sure to label your medication bags accordingly.**
- If you/your child require a medication be given before bed time please be sure to administer this medication before checking in with Healthcare.
- If medication is not packaged properly you will be asked to step out of line, to complete, before we can check you in.

Dosing requirements

When dosing medications, be sure to use a permanent marker or a printed label to mark the medication bags. We try to give meds at common times (e.g., breakfast, lunch, dinner), so if you require a specific time, please indicate on the bag what time the medication needs to be taken

- **Pill form/tablet medications:** We require all medications be put into small medication bags that are available at Walgreen’s Drug Store, Wal-Mart or Jo-Ann Fabrics. On each small medication bag you must write the participant’s **Name, Date, Day and Time of Day** that the medication is to be distributed. If the participant is to take more than one medication at the same time of day, put all medications into the same small labeled medication bag. Put all small labeled medication bags into one large clear zip-loc bag with the participant’s **first and last name** written clearly on the front.

Example: Pills

- **Liquid Medications:** We require all liquid medication (prescription or over the counter) be pre-dosed into catheter tip syringes, with a cap. We will not accept bottles of liquid medication. You can obtain these from the pharmacy free of charge. The pharmacy will pre-dose the syringe for you for free. You must have the pharmacy **put a label on the syringe identifying drug type, name and dosage**, as well as the **participants first and last name, day, date, and time** the liquid medication is to be given. Put all syringes in their own zip-loc bag, separate from other medications (with the participants first and last name written on the bag). Example: Liquid medication in a catheter tip syringe

- **Powder Medications:** We require powder medications (prescription or over the counter) be predosed into a small medication bag. The bag must be labeled with the **participants first and last name, day, date, and time** the medication is needed. In addition the small zip-loc bag must be labeled to **identify the drug type, name, and dosage**. Example: Powder medication (pre-dosed)

Safety Needles: To ensure the safety of all staff and participants, we require that all needles checked in for the use of insulin injection be approved safety needles. Just ask your pharmacist for the “safety” needles when picking up your prescription of insulin.

Tube Feedings: If your child receives tube feedings you may be required to provide your own nurse or qualified professional to administer the feedings.

Safety is our priority and we appreciate your ongoing cooperation and support!

I have read and agree to comply with the UOC Camping Ministry Medication Policy

Camp Policies and Camper Rules

Page 11 St. Nicholas Program

Every summer, the Ukrainian Orthodox Church Camping Program offers youth of the Church a unique opportunity to retreat from the pressures and struggles of everyday life. Encouraging participants to step away from daily habits and routines, the camp makes available a community in which participants can become immersed in an authentic Orthodox Christian atmosphere.

A major component in creating such an atmosphere is separating participants from outside influences and distractions. Of course this is a cooperative effort accomplished by campers, staff, clergy, and parents. Your participation in this effort is vital to the success and effectiveness of the camp ministry. Participants and parents are being asked to start preparing for a time away from “earthly cares” by focusing on Jesus Christ.

By agreeing to these policies and rules, campers and parents show their support of the edifying environment that will be presented at the UOC Summer Camp. Please understand that no one will be permitted at camp if they refuse to agree to these policies and rules (excepting permissions for releases)

On the next two pages are the Encampment Policies and Camper Rules. We ask that both parent/guardians and campers read these thoroughly and sign acknowledgement of their acceptance to the items listed.

- I/we understand that defacing or willful destruction of any furniture, cabins, camp equipment, trees, camp grounds, cars or personal belongings of any other participant will not be tolerated. Violators will be responsible for full financial compensation of any damage. Also, furniture (beds, chairs, tables, ...etc.) may not be moved. Any damages or breakage in the cabins, buildings, courts, or wash houses should be reported immediately to the Director.

Encampment Policies Page 1

Dress Policy

Camping by nature is informal and comfort and safety should be your first concern when packing. However, in keeping with our mission of creating an Orthodox Christian community, we have developed a Dress Code for all participants in the encampment—staff and campers. This Dress Code has taken into account:

- Christian modesty and respect for the clergy and monastics that are with us during the encampment
 - Preparation of mind, soul, and body for the prayer services in which you will participate throughout the day
 - Development of a healthy body image, in ourselves and others
 - Relief—however temporary—from peer-driven fads and competition
- THIS DOES NOT MEAN WE DON'T LIKE YOU OR YOUR CLOTHES! WE JUST WANT YOU TO TRY SOMETHING DIFFERENT! With this in mind, we ask that the following **NOT** be packed: Micro-mini skirts or dresses – length must reach at least finger tips while at their sides, Short shorts - length must reach at least finger tips while at their sides, strapless or spaghetti strap tops, midriff or halter tops, T-shirts with inappropriate words, pictures or sentiments, midriff baring swimsuits (full “tankinis” are the only acceptable 2-pc suits – this means that the two pieces must meet or overlap), muscle tanks, low-rise pants or shorts, oversized pants or shorts (for boys). In addition, males must wear shirts at all times. It is suggested to bring appropriate clothing for Divine Liturgy (3 liturgies in two week program).

Mobile Technology Policy

Camper

I understand that contact with friends and family members back home by phone, e-mail, or text messaging during the camp session removes me from the focused atmosphere of the camp. For this reason, I agree to not bring my mobile phone or if I do, I will check it in to a designated staff member upon arriving at camp. Not having access to a personal mobile phone is essential to the camp environment, in addition to being standard American Camping Association best practice.

I further agree to only use personal audio systems for my own purposes during free time and I understand that music that contains violent, sexually explicit, racist or morally offensive lyrics is strictly prohibited and I may be asked to check in my device with the camp director if this music is played.

Use of video production devices are prohibited by both campers and staff (unless permission is given) during the camping session. Videography may be taken at Ukie Night and Skit Night only. (Photography is permitted except in the bath house, rest rooms or in the cabin.)

Family Member

Do to the nature of my child/family members' disability they may need to at times us technology such as tablets, ipods, etc . I will endeavor to only utilize those means of technology while in group settings if necessary so as not to withdraw my camper from the activities at hand.

I further agree not to use my cell phone during group activities or to lend my phone to another families' camper.

Social Networking and Blogging Policy

In general, the Ukrainian Orthodox Church Camping Programs view social networking sites (Facebook, Twitter, Instagram, etc.), personal Web sites and Weblogs positively and respects the rights of campers to use them as a medium of self-expression. If a camper chooses to identify himself or herself as a camper at the UOC Camping Program on such Internet venues, some readers of such Web sites or blogs may view the camper as a representative or spokesperson of the UOC Camping Programs. In light of this possibility, the UOCCP requires, as a condition of participation in the camp, that campers observe the following guidelines when referring to any encampment of the Ukrainian Orthodox Church or All Saints Camp, its programs or activities, its campers, and/or other staff, in a blog or on a Web site:

(continued Page 2 of Policies)

Encampment Policies Page 2

Social Networking and Blogging Policy Continued

- Campers must be respectful in all communications (text and photos) and blogs related to or referencing the camp, camp staff, volunteers, employees and other campers.
- Any photos or messages that are linked or “tagged” from “friends” and attached to your site(s) or profile(s) that are inappropriate should be removed.
- Campers must not post photos unless those within the photo have given expressed permission and any photos taken anywhere at the camp that are inappropriate should not be shared or posted. (Bathhouse, cabins, etc.)
- Campers must not use obscenities, profanity, or vulgar language.
- Campers must not use blogs or personal Web sites to disparage the UOC Camping Programs, other campers or staff of the UOC Camping Programs.
- Campers must not use blogs or personal Web sites to harass, bully, or intimidate other campers or staff of the UOC Camping Programs.
Behaviors that constitute harassment and bullying include, but are not limited to:
 - Comments that are derogatory with respect to race, religion, gender, sexual orientation, color or disability;
 - Comments that are sexually suggestive, humiliating or demeaning comments;
 - Threats to stalk, haze, or physically injure another person.
- Campers must not use these venues to discuss engaging in conduct prohibited by camp policies and an Orthodox Christian lifestyle, including, but not limited to, the use of alcohol and drugs, sexual behavior, sexual harassment, and bullying.
